We wish to dedicate this page to one, whose energy, talents, enthusiasm and loyalty, has been a force in suggesting what may be considered the theme of this book.

For ten years she has worked tirelessly and zealously to instill good music into the hearts of her students as well as to the public at large.

Miss Willie Lou Robertson is leaving. She will be missed not only as a teacher of the school but as a neighbor and friend.

With these brief words, all wish her and her mother Mrs. W. Robertson, who also has played an important part in the musical life of the community, happiness in the future.

Best
wishes
Patsy W.

"WE MADE THE NEWS"

With pride and humility we set forth individuals, teams, units and departments who have "made the news" during this school year.

Our recent appearance in an outstanding publication, made us recognize that this honor was awarded because of the combined efforts of students, faculty, administration and community.

We have established ideals . . . may we live up to them!

NOTHING'S TOO GOOD FOR THEIR SCHOOL

By WILLIAM L. WORDEN

Deming, Washington, is a dying logging town. It has no bank, lawyer or doctor. It's the center of a 500-square-mile area in which live 5000 adults—none rich. But it has the best darned school you ever saw—because the people want the best for their children, and won't settle for less.

Seated: T. Sinnes, D. Smith, E. Hansen, L. Anderson, K. Gay, C. Phillips, ,V. Grappe.

HONOR SOCIETY

Leadership, character, scholarship and service are the main purposes promoted by the Honor Society. John Bouma, Judy Smith, Verjean Grappe and John Hayes gave brief speeches on these characteristics at a candelight ceremony held before the A.S.B. meeting, April 5, in the auditorium.

Total membership now stands at forty-four with the probational acceptance of eight sophomores. The following sophomores were accepted: Kay Zender, Thelma Bay, Kim Maleng, Lois Gay, Janice Barter, Jim Morgan, Nancy Ziegler and Cliff Ramsden.

Being a member of this society does not depend entirely on high grades, but good scholarship standards and an honest effort of each student to do his best.

This is the third year the Mount Baker Honor Society has been a member of the National Organization for Secondary Schools.

JUNIORS

Standing: S. McCollum, J. Swanson, P. Gunter, J. Hayes, R. Minge, B. Prendergast, J. Vanderyacht, B. Olmstead, D. Ward.

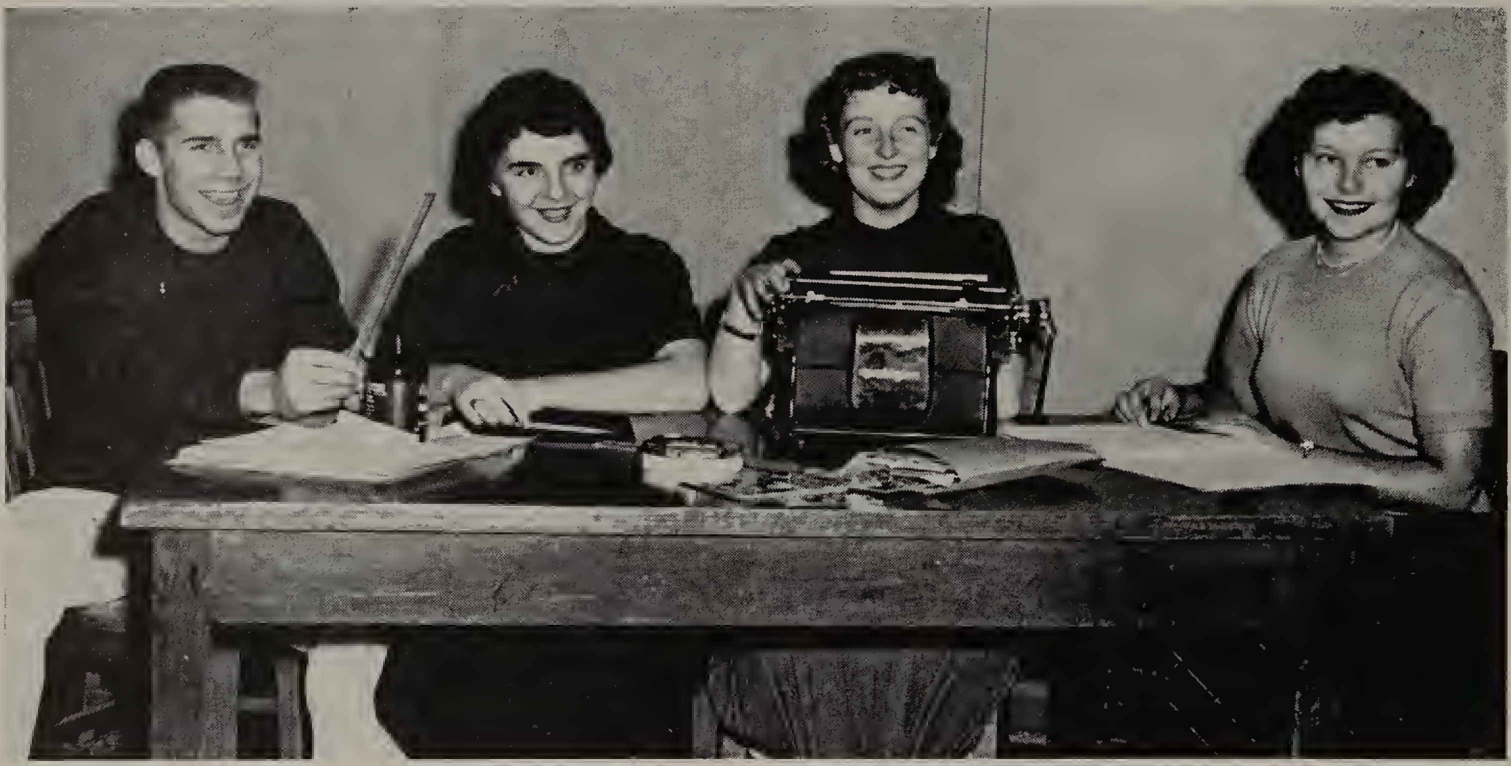
Annual Staff

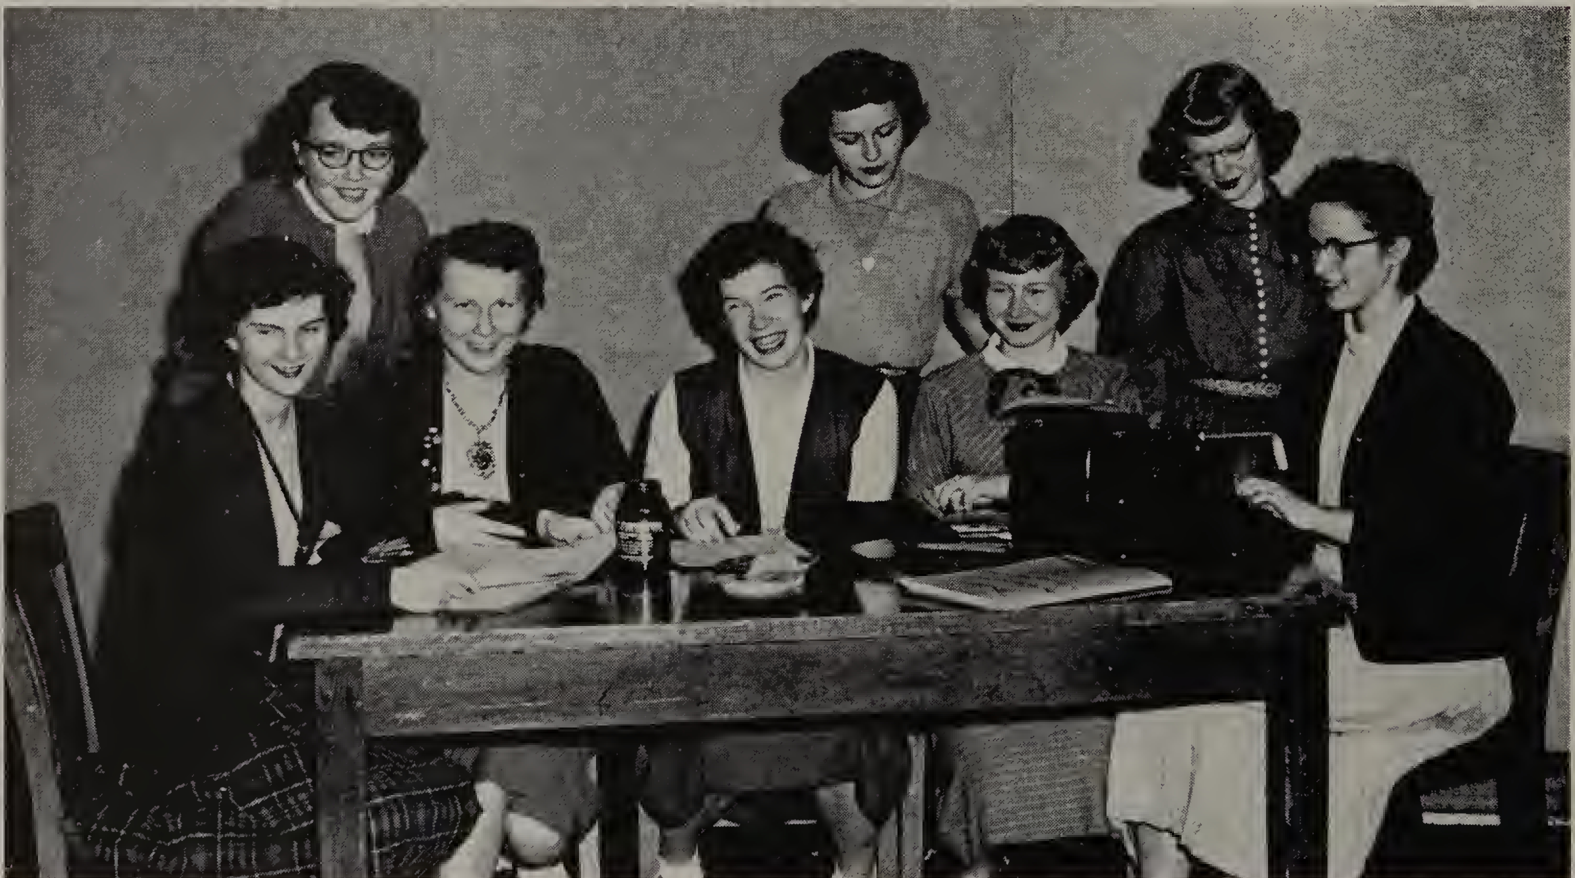


Left to right: D. Holmes, D. Smith, S. Ziegler, T. Sinnes.

Deadlines to meet for the photographer, the engraver, and the printer; pictures to be trimmed, gathered and pasted; lost copy, ad trips, bills and dummies! All were a part of the everyday bedlam that broke loose sixth period in Mrs. Griffen's art room when the eleven members of this year's "Mountaineer" staff joined forces to edit another year book. However, out of this bedlam, came the 1953-'54 "Mountaineer" which we, the annual staff, hope will be a complete and meaningful book of memories of another year at Mount Baker high school.

Particular credit is due to Mrs. Griffen, our patient adviser; to our faithful photographers Mr. Clift and Mr. Smith from Jukes Studio, Bellingham; to Western Engraving and Colortype Company, Seattle; and to Cox Brothers, our printer.

Front row: A. Bodtke, A. Johnson, C. St. James, K. Gay, B. Kelley. Back row: N. Ziegler, A. Haug, G. Brown.



Beacon Staff

Mary Kirschman, Business Manager; Miss Warner, Adviser; Marjorie King, Co-Editor; Lorna Anderson, Co-Editor; Gloria Hayes, Business Manager.

Lorna Anderson and Marge King were Co-editors for the '53-'54 Beacon. Other staff positions were filled by LeRoy Murray, Senior High Sports writer; Eugene Ray, Junior High Sports writer; Claudette St. James, News Editor; Judy Hueston, Feature Editor, and Janice Barter and Connie DeVisscher, Exchange Editors, also in charge of circulation.

Mary Kirschman and Gloria Hayes, with the help of Marge King, only returning second year journalists, made up the "ad" and business staff.

Serving as staff reporters, were other members of Journalism classes, including Peggy Spreadborough, Thelma Bay, Eleanor Failor, Huberta Dvorchek, Louise Francisco and Nancy Hanneman. Elaine Webber and Kay Verquist were members of the staff during the first semester.

Seated: T. Bay, C. St. James, J. Hueston, C. DeVisscher, J. Barter. Standing: P. Spreadborough, L. Murray, K. Verkist, N. Hanneman, L. Francisco, E. Webber, H. Dvorcheck, D. Jacoby, E. Ray.

Dear "Suey" er I mean Kenny,
Well kiddo - hope you
have a lot of good times
with "dear little ole" Kenneth Gates
or should I say "brother" Kenneth Gates!!
But Remember our rare ride -
there will be alot more.
That I'm sure of.
If you need a laugh sometime
think of Lyle, Bob, Garth, Kenny,
Dale, and all the "gang".
Hope we have fun tonight.
See you at MacDonalds -
okay???

SCIENCE CLUB

This year the Science Club sponsored many activities including entertainment for the Student Body.

Hobby Nights were held every Tuesday. A beaded screen was purchased for the Auditorium. It was financed by noon and evening movies with some help from the Student Body.

Trips were taken to the Smelter at Tacoma and the Math-Science Day at the University of Washington. A Math-Science Open House on April 7, was held as a result of these trips. On January 18, the General Motor Preview of Progress was presented to the students. A swimming party was enjoyed in the spring and the Science Club Picnic was held May 18.

Officers of the club were John Bouma, President; Lorna Anderson, Secretary; Dorothy Giarde, Treasurer; and Miss Massie, Adviser.

Ski Club

There are sixty members this year in the Ski Club, ranging from seventh grade through twelfth which is the largest membership ever had under the leadership of Mr. Bronson.

For raising funds the club collected seven and a half tons of scrap paper and the money was used to carry on club activities as well as finance a ski bus to Mt. Baker.

Approximately twenty-five students have taken ski lessons from the Junior Chamber of Commerce Ski School.

Other activities of the club were a skating party, the showing of a ski film, and designing a suitable club emblem.

Conservation

Forestry, wildlife and gamefish are three subjects that were studied this year in conservation.

The task of hatching 20,000 salmon was one of the difficult accomplishments made by the class.

On the newly acquired farm they built 35 shelters for wood ducks. Another improvement on this land was a dog-proof fence around the game area.

Birds were a big item this year as the students raised preasants and planted a feed plot for upland game.

Winning a "GOLD EMBLEM AWARD" in the National Chapter Contest provided the stimulus for another "banner year" of F.F.A. activities. The award was announced in September and with it came a trip to the national convention for our adviser where he was awarded the degree of Honorary American Farmer. Mt. Baker is the fourth chapter in the state to ever win a Gold Emblem Award.

Larry Richner, who has capably and efficiently served as State F.F.A. president, led our team to another win—Parliamentary Procedure Contest at the state convention this spring. This was the second win in three years and Mt. Baker became the first chapter to ever win the contest more than once.

A widely varied but well balanced activity program was carried on throughout the year in an attempt "To have a job for every member and have every member on the job." Activities which drew major attention were: sending Beacons and newsletters to former students in the armed forces, development of an ever expanding supervised farming program, entering various judging contests, participating in Northwest Washington Fair and Washington Junior Poultry Show, presenting of programs throughout district for various organizations, passing of $7000 mark with thrift bank, giving of Christmas baskets to needy families, rewarding girls who served at banquet with dinner and all-school dance, annual Open House, New Year's Eve Party, publishing of "Spreader" each quarter, public speaking with Kim Maleng winning district contest, basketball, rifle club, swimming parties, skating party, fishing trips to British Columbia and Lake Tomyhoy, posting of quarterly scholarships and citizenship ladders and continuing of all cooperative projects.

Ross Allen, Duane Jacoby, Roger Kvamme, Lane Ehle and Duane Vanderyacht were awarded the State Farmer degree to raise our total to forty-six to lead all chapters in the state.

Robert Pettigrew presented the chapter with a registered Jersey calf which was given to Charles Workman. John Blickenstaff as a winner of the annual Jersey Cattle Club was presented with a registered calf by the State Jersey Club.

Twenty-fifth anniversary of the national organization of F.F.A. was observed in the program and decorations at the annual Parent and Son Banquet held by the Mount Baker Chapter September 23. Two hundred eighty-one pounds of barbecued silver salmon, prepared by Mr. Ziegler and the F.F.A. boys was served as the main item of a complete dinner prepared and served by Miss Top, home economics instructor, and the F.H.A. girls. Above are banquet scenes including two posed pictures—top left: F.H.A. girls who served and worked in the kitchen, and fourth picture down on left shows F.F.A. president and honored guests.

F. H. A.

F.H.A. is a national organization, established at Mount Baker High School in 1947. There are now one hundred and one members in the chapter, with Miss Esther Top as adviser.

Formal initiation was held in the school cafeteria, October 27, with thirty-five freshmen girls entering the chapter. Mothers and friends attended and were served refreshments.

In September, twenty-two girls enjoyed a trip to Edmonds where they attended work shops, movies and a general assembly.

Mrs. G. J. Townley and Mrs. W. H. Kelley were elected Chapter Mothers, and Mrs. Lutz, last year's adviser, as an Honorary Member.

Knights of Baker are a group of twenty boys who served the school at all games, selling and taking tickets and keeping general order on the side-lines. Another service is that of assisting in fire drills and other safety jobs.

Pep Club

Promoting good sportsmanship and school spirit throughout the student body, is the Pep Club's purpose.

It is composed of thirty-two members, who have met certain scholastic standards and are voted in by the members. The club is now working to pay for the new pep club sweaters which were purchased last year. A member has to show good sportsmanship, be enthusiastic and attend all games unless she has a good reason for missing one.

The Pep Club assists with the Girls' Letter Club in putting on a banquet for the boys' Letter Club at the end of the school year.

dear Susan,

Maybe I shouldn't put this in here but I guessed you liked Kenny before you let the cat out of the bag.

You kid's be sure and make load's of money picking berries this summer.

This slumber party of Shirley's is going to be real cool, ah Susan, you'll think so if someone comes up won't ya.

You don't be too hard up on the boys.

On the first day of turnout, 41 boys showed up for practice. Also, on the last day of turnout, 41 boys were still on the roster. This shows the typical good spirit the team had throughout this year.

Mount Baker played Blaine in the last game of the Jamboree, which was Baker's game on defense 13-7. All of the scores came when alert ends literally picked up touchdowns.

On September 25, the Mountaineers downed a scrappy Meridian team 41-0. Baker got out to a slow start with only 13 points at the half, but they pulled ahead to a more comfortable lead, and went on to win.

A wet and muddy Capilano Stadium, October 2, was Baker's only obstacle. Within two minutes Baker's rugged eleven racked up 19 points. Half time score was 22.6. After two more strong offensive quarters the game ended with a final score of 53-13.

October 9, the Mountaineers played a strong offensive and defensive game against a much weaker Nooksack squad. Late in the game Nooksack managed to squeak through for one touchdown, and made the conversion. A downhearted Pioneer team left the field managing to score only 7 points, to the Mountaineers 52 points.

It proved to be Baker's day with Blaine as the score, 33-0, indicated.

A small, but speedy, Lynden Lion team irritated the burly Baker eleven, to deliver a sound trouncing upon the Lions. Lynden took home a 46-13 defeat.

With Ferndale's and Mount Baker's records both being the same, their game was termed a "matchmaker's delight." This was the game for which both the Eagles and Mountaineers had been waiting. The game that would cinch the **Whatcom County Football Championship.** Mount Baker came through with the coveted title.

SENIOR HIGH BASKETBALL

An almost equally matched county league left Mount Baker near the cellar. From the first game to the last the Mountaineers played up to their ability. They never stopped hustling once, playing overtime and close scores. Next year, they may go all the way.

PHOTOGRAPHY

This year the thirty members of Mr. Bronson's photography class worked three days a week in the Science laboratory developing, printing, and enlarging pictures. The other two days were spent in the classroom studying text books, and collecting pictures. Special attention was given to notebooks, which each student was required to keep. In these were all types of pictures and photos of equipment.

Mr. Bronson's careful eyes helped the students with their enlarging, tinting, toning and mounting of photos for exhibition work.

Several pieces of equipment were made for use in the laboratory and it was each student's responsibility to learn how to handle all types of machines and material.

Stage Force

D. Smith, T. Sinnes, P. St. James, set artists for "Annie Get Your Gun."

On the next four pages are advertisements which form an important section of the 1953-1954 "Mountaineer." Without them our book would not be complete. These advertisers cared enough about us to assist financially in its production.

As students, from seventh grade to seniors, all should read the "ads," and when the need arises to make a purchase or have a service performed, remember the "supporters" on the following pages.

That would be our way of saying "thanks."
